Mt. Pleasant, MI – (June 29, 2012) – On a hot, humid evening in Mt Pleasant Michigan, Cloverdale Ohio driver Jared Horstman took the victory in the only appearance this season at the fast 3/8 mile oval. Renegade Racing Fuels and Miles Petroleum Group presented the action at the northern Michigan oval and the great crowd was not disappointed, a total of 28 cars checked into the pits.

Horstman started in fourth position for the twenty five lap main event. A total of two yellow flags slowed the action, however the feature winner was able to capture his second Engine Pro ASCS Sprints on Dirt Presented by ARP of the season in dominating fashion by taking the lead on lap two and holding the lead the rest of the 25 lap feature distance.

The feature winning driver stated: "I have to thank my Dad and my hard working crew; we are really on to something right now and hope that it continues". The top five finishers following Horstman were Dustin Daggett, Ryan Grubaugh third, Gregg Dalman fourth and Greg Wheeler fifth.

Heat victors were Horstman, Daggett, Shawn Dancer and Grubaugh. The B main went to Brett Mann and Gregg Dalman took the Brodix Heads Dash.
