Merritt, MI – (June 29, 2013) –

In front of an enthusiastic Northern Michigan crowd ; the Engine Pro Sprints on Dirt Presented by ARP feature was picked up by Dustin Daggett of Grand Ledge,MI who captured his second feature win of the 2013 season at Merritt Speedway in Lake City,MI.

A field of 23 winged sprint cars signed in at the tricky 3/8 mile oval. Daggett took the lead from Jared Horstman with four laps to go and held off challenges from Gregg Dalman. After the race was over it was discovered that Horstman had a right rear tire losing pressure affecting his handling that allowed both Daggett and Dalman to pass him with less difficulty before the 25 lap feature was completed. The eventual winner raced the tough track very aggressively and was extremely excited in the Merritt victory lane.

The top five finishers of the evening for the Engine Pro Sprints on Dirt Presented by ARP feature were-Daggett,Dalman, Horstman, Chris Pobanz and Robert Huisken.

Heat race wins were captured by Andy Teunessen, Huisken and

Daggett, the B main was scratched and all 21 running cars started the A-main. The Nitro Black Dash went to Mike Astrauskas. Troy Chehowski flipped his car during his heat race and Ryan Grubaugh did the same during the feature, both drivers were checked out and are okay.
