The driver earning the most total points in this 5 race event will be awarded a \$1,000 payment as the winner of the 2015 MAHLE/Clevite Short Track Challenge. Point fund monies will be paid out to the top ten finishers in the 2015 MAHLE/Clevite Short Track Challenge.

Every weekend it is on dirt short tracks across America on Friday and Saturday nights where modern day gladiators fight in arenas to see who can be the best. Grass roots racing is the heart of motor sports, Clevite® engine bearings and MAHLE Original® engine parts are there to make sure these weekend warriors can go the distance and win the trophies. Debates carry on over who is the best on the track, but there is no debate that Clevite and MAHLE Original are the one constant of winning teams throughout grass roots racing.
