

SOD Rained Out at Crystal Motor Speedway

23 cars were on hand Saturday to participate in the Mike Olrich Memorial at Crystal Motor Speedway when the rains moved in during heat race events. Crystal officials made a valiant effort to run the track in, however, Mother Nature prevailed and the remainder of the program was cancelled.

The Engine Pro Sprints on Dirt presented by ARP will return to action next Friday at Hartford Speedway paired with the UNOH All Star Circuit of Champions, followed by a double feature show at Butler Speedway on Saturday. The Mike Olrich Memorial will be run on September 5th at Crystal Motor Speedway.
