

Driver Spotlights

Get to know more about your favorite 2017 Engine Pro Sprints On Dirt presented by ARP driver. We will post a different driver spotlight on the SOD Facebook page as time permits.

You can submit your driver profile by clicking [here](#). We will start posting 2017 driver profiles in January. Spotlights will be posted in the order they are received. A close-up photo and an action photo should be emailed to director@sprintsondirt.com if possible.
