

Get to know your favorite SOD driver

As we roll toward the 2016 season, inquiring minds would like to get the inside scoop on Engine Pro Sprints On Dirt presented by ARP drivers. With this in mind, we have started a series of driver spotlight posts on the Sprints On Dirt Facebook page. You can go there at https://www.facebook.com/sprintsondirt/?ref=aymt_homepage_panel to like your favorite driver's spotlight and read each one as they are posted.

Additionally, the Driver Spotlights tab above will take you to a list of the driver spotlights already posted.
