

# Dominating performance in SOD MAHLE/Clevite BLC @ Crystal

For the fourth time in 2016, Mother Nature came out on top in the Engine Pro Sprints On Dirt presented by ARP MAHLE/Clevite Beyond Limits Challenge at Crystal Motor Speedway Saturday night over a large field of competitors from Michigan, Ohio, Indiana, and Ontario.

Overnight rain ended around mid-day on Saturday, and at 2:30 PM the track surface looked ready for a great night of racing.

The late afternoon prediction was for a few, scattered light showers, but when the rain returned, it returned to stay. Although there was never a heavy rain, the unending precipitation took its toll, and the infield became flooded and the pit area unusable. In spite of giving it everything they had, Crystal Motor Speedway owner/promoter Ron Flinn and his crew finally had to throw in the towel, and Flinn officially canceled the show around 5:45 PM.

Originally scheduled as the SOD season opener, the Crystal MAHLE/Clevite BLC race was rained out on April 30th, then again on May 14th. It is now scheduled to close out the five-race MAHLE/Clevite BLC and the SOD season at the Mike Olrich Memorial Race on September 3rd. The next MAHLE/Clevite BLC race will be on August 13th at Butler Speedway, followed by I-96 Speedway on August 19th.
