

Engine Pro Sprints On Dirt by ARP back at Thunderbird Raceway in 2017

Engine Pro Sprints On Dirt presented by ARP will return to Thunderbird Raceway on June 10.

Engine Pro Sprints On Dirt presented by ARP made a dramatic appearance at Thunderbird Raceway last year. Before a packed grandstand, SOD put on an exciting, crowd-pleasing show that left spectators begging for more. They will now get their wish with this announcement.

Long-time racer/promoter Tom Sprague purchased Thunderbird Raceway in 2015 and reopened it last year, saying it was an important moment for local racing fans after the 50-year-old track was closed for three years. Sprague has turned more than a few laps at Thunderbird Raceway himself.
