

2017 SOD Season Opener @ Crystal Motor Speedway This Saturday

The 2017 Engine Pro Sprints On Dirt presented by ARP season kicks off this Saturday, April 29, at SOD's traditional opening show host, Crystal Motor Speedway. The long partnership goes all the way back to SOD's first season 38 years ago. Crystal owner Ron Flinn has been promoting dirt track races for 40 years now.

2017 promises to be an action-packed, exciting season. Most racers who were part of last year's SOD "beyond limits" introductory season are returning for 2017. Joining them will be several drivers new to sprint car racing and others from different segments of sprint car racing. SOD's success in 2016 hasn't gone unnoticed as sponsor involvement has more than doubled for 2017.

Stevie Irwin and Ryan Ruhl won the two SOD shows at Crystal last year. Unfortunately, Crystal Motor Speedway suffered three of SOD's five rainouts, but we have asked Mother Nature to be kind to us this season. As a precaution, though, the following Saturday, May 6, has been set as a rain date.

The opener will give racers an opportunity to get a race under their belt before jumping into the first King Engine Bearings King of Michigan race at Hartford Speedway on Friday, May 19.

The next day, May 20, the first MAHLE/Clevite Beyond Limits Challenge race takes place at Baer Field Motorsport Park in Fort Wayne, Indiana, for the historic, first-ever dirt show there.
