

Hannagan Snares ASCS SOD Checkers at Eldora

Bob Buffenbarger, ROSSBURG, Ohio (May 30, 2010) – Randy Hannagan won an exciting battle with Kyle Sauder on the high banks of Eldora Speedway Sunday night to cap off a three day Ohio swing for the Engine Pro ASCS Sprints on Dirt presented by ARP.

As the feature got under way Kyle Sauder took to the high side and set sail to a several car length lead at the end of the initial lap and looked to have things well in hand. Lap five saw Sauder still in the lead with Randy Hannagan, Luke Hall, Cale Conley, Jerred Horstman, Tim Allison and Kent Wolters in hot pursuit on the fast well prepared track.

By the tenth lap Hannagan was closing on the lead car of Sauder and Cale Conley moved into third. On the 13th go round the 1x of Hannagan executed a successful slide job to steal the lead from the 1k of Sauder and Conley was now in the mix with Kent Wolters and Luke Hall not far back.

With three to go in the 20 lap main, Kyle Sauder was not quite yet finished and pulled even with Hannagan more than once as the pair raced side by side until on the final circuit Hannagan gained a two car margin for the win a crowd pleasing main event.

The four heat race winners were Jeff Williams, Hud Horton, Kyle Sauder and Randy Hannagan. Butch Schroeder and Dain Naida transferred from the first B main that saw Mike Dussel make extremely hard contact with the turn four wall. Dussel emerged uninjured. B main #2 Tim Hunter and Ron Blair moving the A feature.
