Auburn, Mi. In front of a near standing room only crowd in Auburn, Michigan; the Speed Pro Season Championship feature was picked up by Dain Naida of Belleville, MI. The Engine Pro ASCS Sprints on Dirt Presented by ARP season championship race held at Tri City Motor Speedway Saturday evening was an incredible finale for the 2012 season.

Gregg Dalman of Bellevue MI captured the 2012 SOD championship after 13 years of competing in sprint cars, this was his first ever championship.

A field of 28 winged sprint cars made the second appearance of the season at the racey 3/8 mile oval. The outside front row starting Naida raced hard with pole sitter Jared Horstman the first handful of laps before 2012 champion Dalman made an incredible pass for the lead on lap nine. After hard contact with a lapped car on lap 18 Dalman dropped back to fourth and Naida inherited the lead. Dalman suffered some front end damage, mainly to his nose wing. However this didn't slow the driver of the Fausey Racing 49t as he battled his way back to second and was closing on eventual winner Naida as the checkers flew.

In Tri City victory lane Naida thanked the dedicated crowd who enjoyed the show on a very chilly night and thanked the Tri City staff who promised that the feature would start earlier

than normal and it did with a 9:00 PM push off of the 20 car feature field! The Belleville driver thanked Miles Hill and Glenn Styres, along with the hard working crew that got him to victory lane.

Dalman brought his car back out to Tri City victory lane where he was officially introduced as the 2012 Engine Pro ASCS Sprints on Dirt Presented by ARP Champion. He thanked his dedicated crew and sponsors and was very happy to state that this was his first championship in 13 years on sprint car competition. The veteran driver will be honored at the 2012 banquet on Friday evening November 2.

The top five finishers of the evening for the Engine Pro ASCS Sprints on Dirt Presented by ARP feature were—Naida, Dalman, Jared Horstman, Jamie Collard and Ryan Ruhl, who started 16th.

Heat race wins were captured by Dalman, Dustin Daggett, Ryan Grubaugh and Naida, the Brodix Heads dash went to Shawn Dancer and Andy Teunessen took the B-main victory. Veteran driver Jim Lingar had a nasty flip in his heat race the car was done for the evening, however the veteran Indiana driver was okay.

Engine Pro ASCS Sprints on Dirt Presented by ARP Results-

Saturday September 22, 2012

Tri City Motor Speedway—Auburn, MI
