

Engine Pro Sprints on Dirt head to Buckeye State

From Mike Strevel

The Engine Pro Sprints on Dirt Presented by ARP will celebrate the Memorial Day weekend with the continuing tradition of visiting three Ohio race tracks in three consecutive days.

The Michigan based series celebrating its 35th season of competition will start the holiday weekend with a visit to Limaland Motorsports Park in Lima, Ohio. This \$2,000 to win event will have the Ohio based NRA sprints challenging the drivers of SOD. A field of over 40 sprints are expected to compete at the beautiful Ohio speed plant.

On Saturday May 24, the Engine Pro Sprints on Dirt will head a few miles down the road to the Waynesfield Raceway Park to continue the battle against the best of the National Racing Alliance racers.

The finale of the weekend will be at the famous Eldora Speedway as a part of the Johnny Appleseed Classic as the SOD racers will once again challenge the Buckeye states best at the famous Tony Stewart owned half mile.

These three races on the SOD calendar will be race numbers 793, 794 and 795 in the 35 year history of the 360 sprintcar series. For more information please use www.sprintsondirt.com.
