Every weekend it is on dirt short tracks across America on Friday and Saturday nights where modern day gladiators fight in arenas to see who can be the best. Grass roots racing is the heart of motor sports, Clevite® engine bearings and MAHLE® engine parts are there to make sure these weekend warriors can

go the distance and win the trophies. Debates carry on over who is the best on the track, but there is no debate that Clevite and MAHLE are the one constant of winning teams throughout grass roots racing.
