

ENGINE PRO & ARP RETURN AS SPRINTS ON DIRT 2017 TITLE SPONSORS

Sprints on Dirt is excited to once again partner with Engine Pro and ARP in 2017. SOD's bold move to an unlimited winged sprint format last year was enthusiastically embraced by competitors and fans alike. The support of Engine Pro and ARP was proven to be the right decision as the results exceeded all expectations. SOD is busy putting together all the pieces for 2017 and details will be released throughout the next few months.

Scott Overlund, Sales and Marketing Manager, The Perfit Corporation / Engine Pro, has released the following statement: "We are very proud of our sponsorship with SOD and excited for the 2017 season. The excitement of sprint car racing on dirt at some of the best venues in the Midwest has created a wonderful marketing package for us and our vendor partners with a win-win-win scenario for the racers, the tracks, and the products we promote."

Engine Pro is the largest engine parts warehouse network in

the USA, distributing a full line of brand name internal engine components exclusively to the wholesale market. Engine Pro inventories engine parts for domestic and import passenger car, light truck, heavy duty, industrial, marine, agricultural and performance applications. Engine Pro is committed to building the success of their customers by offering competitive pricing, innovative programs and knowledgeable sales representatives. It also produces Engine Pro brand engine products to provide an affordable option for race engine builders who want the highest quality and a moderate price. To learn more about Engine Pro, go to www.enginepro.com.

ARP, a leader in high performance fasteners, has an extensive product line containing thousands of part numbers, and has includes virtually every fastener found in an engine and driveline. These range from quality high performance OEM replacement parts to exotic specialty hardware for Formula 1, IndyCar, NASCAR and NHRA drag racing and marine applications. ARP is a highly diversified manufacturer with five operational entities in Southern California including forging, machining, finishing and packaging/warehousing facilities. For more information about ARP, go to www.arp-bolts.com.

Sprints On Dirt shares Engine Pro's customer commitment by providing fans, promoters, sponsors, and racers with exciting winged dirt track sprint car racing.
